PLEASE NOTE:
The original Belt Pack (Shure SL4) will no longer work in these Theatres

To Use:
Simply take out of the charging cradle and use as per User guide lines for previous Belt Pack.
To use the Hand-Held Microphone take it out of the charging cradle and speak into it.
If there is no sound, make sure the transmitter is turned on before calling Support.

After Use:
Make sure to replace the Belt Pack and /or Hand-Held Microphone in to the charge cradle, making sure the charging indicator lights up for the next user.
When finished return the microphone to the charge cradle, making sure the red charge light switches on.

Handy Tip: Leave the microphone switched on when returning it to the charger – it will automatically turn off.
